

A T A A C A C A C T

Sequence logo for the sequence ATAA CACA CT. The logo displays the conservation of each base at each position. The top row shows the base 'A' in green at positions 1, 3, 4, 6, 7, and 8, and 'T' in red at positions 2 and 9. The second row shows 'G' in orange at positions 3, 4, 6, and 8. The third row shows 'C' in blue at positions 5, 6, 7, and 8. The bottom row shows 'G' in orange at positions 3, 4, 6, and 8. The bases are stacked vertically to show their relative frequency at each position.
